

APPLE /// OWNERS

SPECIAL NOTICE

Videx has contracted with Quark, Inc. to prepare an Apple /// driver for the UltraTerm. Quark will most likely implement the UltraTerm driver as a replacement for .CONSOLE.

When you send in your UltraTerm registration card, please indicate that you are interested in receiving the driver by writing CONSOLE in the upper right corner of the registration card. This will be provided, free of charge, as a service to our customers. ~~The driver is scheduled to be released in late June.~~

The following Apple /// programs do not use the .CONSOLE driver and will need other modifications to utilize the UltraTerm:

Catalyst
Discourse

Word Juggler
Apple Writer ///
