Educational Software,
Video and Workbooks

Introduction

As a teacher for many years, I know how challenging it is to teach basic skills creatively.

The use of computer and video technology has opened new doors of creativity by stimulating, motivating, and encouraging students of all ages and ability levels.

That's what Davidson strives to accomplish. We take advantage of the technology to design educational products that encourage all students to be successful.
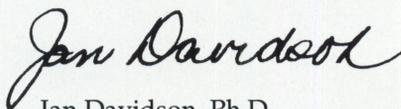

Our products are unique in their learning approach. We cover a subject in depth, so students learn more than just the correct answer, they learn the concept behind the question.

In this brochure, we are unveiling new products that follow the Davidson tradition of making learning exciting. We are proud to introduce two entertaining educational videos that teach children problem-solving skills and the important role math plays in their everyday lives.

We are also introducing two new language arts software programs — *Reading and Me* and *Word Attack Plus*. Both programs help students build a strong foundation in reading, writing, and vocabulary skills.

Our software, videos and line of workbooks make learning exciting. We know. We have tested our products in classrooms with children like yours.

We want to share in your educational success, so please drop us a line to let us know about your experiences with our products.

Reading and Me ™

Talking IIGS Version
NOW AVAILABLE

Reading and Me prepares children for reading and builds early reading skills.

Program Contents: *Reading and Me* offers twelve sequential learning games in four key areas:
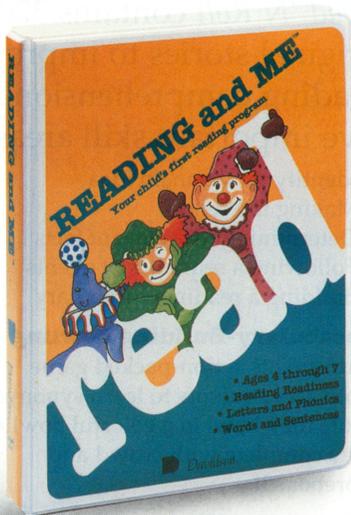

- Readiness
- Phonics
- Alphabet
- Words

Early Learner Interface: The new *Davidson Early Learner Interface* provides easy access to activities and mobility within the program. Children can use either the mouse or the keyboard to select activities and answers.

Printed Graphic Certificate: To reward children who complete an activity, a graphic certificate can be printed. The certificate includes the child's name and clown illustrations for coloring.

Additional Features:

- Playful clown characters
- Positive reinforcement
- Optional sound effects
- Animation and color
- Double high-resolution graphics

"Super, education- ally sound program for teaching reading-readiness skills. My kids love it!"

Rev Korman
Computer Consultant
Los Angeles Unified
School District

Put the fork on the table.

Good job MARY!

System Requirements:

Apple IIGS, IIc, IIe (128K & extended 80-column card)

IBM PC & PS/2 (256K)

Tandy 1000 series (256K)

Major compatibles

Will not run on IBM PC Jr.

MS/DOS machines require color graphics adapter

Level: Ages 4 through 7

5 1/4" to 3 1/2" disk exchange available

Talking IIGS Version
NOW AVAILABLE

Suggested Retail Price: $39.95
$49.95 (IIGS)

Davidson.

3

Read 'N Roll™

Read 'N Roll contains 320 original stories to improve reading comprehension in five important skill areas:

- Identifying the main idea
- Making inferences
- Determining the relevant facts
- Following a sequence of events
- Building a reading vocabulary

Vocabulary-Building Bowling Game: This action-packed game motivates students to learn synonyms while they bowl in a colorful bowling alley complete with crowd and scoreboard!

Printed Certificate of Excellence: To reward outstanding scores, *Read 'N Roll* includes an option to print out a Certificate of Excellence with graphics.

Additional Features:

- Student record-keeping with option to print reports
- Easy-to-use editor
- Instructional hints for incorrect answers
- Double high-resolution graphics

"Read 'N Roll allows teachers and parents to tailor reading exercises aimed at helping students better understand the contexts and inferences of words, as well as their meanings."

Suggested Retail Price: $49.95

Davidson.

Speed Reader II ™

Designed by reading specialists, *Speed Reader II* helps students increase reading speed and improve comprehension.

Program Contents: *Speed Reader II* contains six separate activities and 35 reading selections.
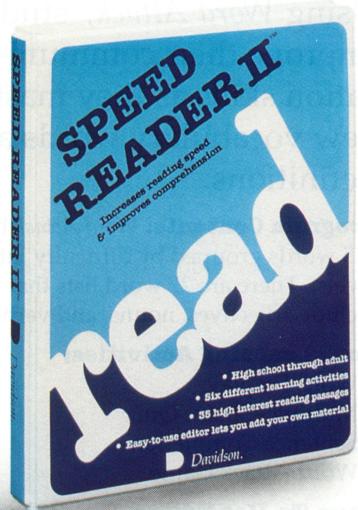

Six Learning Activities:
- Warm-Up Letters
- Eye Movement
- Warm-Up Words
- Reading Passages
- Column Reading
- Timed Reading Test

Easy-To-Use Editor: The editor allows users to add their own reading passages. After the passages are entered, a built-in grade level analyzer determines the level of difficulty.
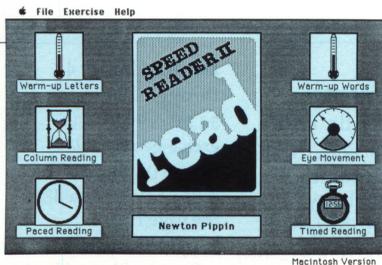

Additional Features:
- Automatic speed computation
- Optional sound effects
- Optional color
- Positive reinforcement
- Computerized tachistoscope
- Comprehension tests
- Record-keeping (Macintosh)

"Speed Reader II can help high school and college students become faster and more efficient readers, enjoy reading more, and understand and retain what they read."

Word Attack!™

Using *Word Attack,* students improve their communication skills as they master new vocabulary words and definitions.

Program Contents: *Word Attack* has 675 words grouped by difficulty into nine levels. There are 27 word lists that include adjectives, nouns, and verbs.
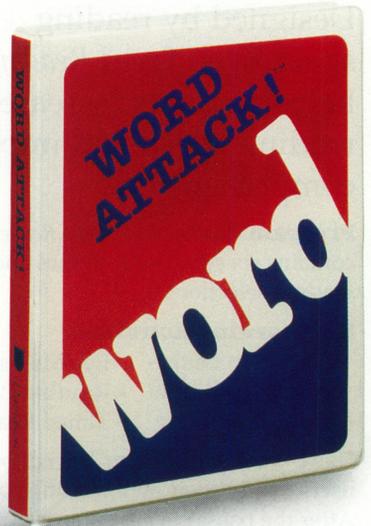

Four Learning Activities:
- Word Display
- Multiple-Choice Quiz
- Sentence Completion
- Word Attack Game

Easy-To-Use Editor: The editor allows you to add customized vocabulary lists that can be used with all four learning activities.
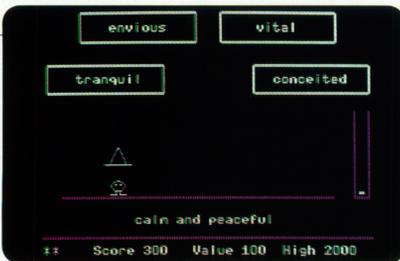

Additional Features:
- Positive reinforcement
- Sound effects
- Review option
- High-resolution graphics
- Animation and color
- Score-keeping
- Print capability
- Display time control
- Elapsed time indicator
- Keyboard/joystick option

"Word Attack is the type of program all your children can use—and grow with."

Spell It!™

Spell It helps students master 1,000 of the most commonly misspelled words.

Program Contents: *Spell It* contains 50 word lists grouped into five levels of difficulty. In addition, there are more than 20 spelling rules presented.

Four Learning Activities:
- See It
- Practice It
- Unscramble It
- *Spell It* Game

Easy-To-Use Editor: The editor makes it easy to add your own list of spelling words to use with all four *Spell It* activities.

Additional Features:
- Positive reinforcement
- Sound effects
- Review missed words option
- High-resolution graphics
- Animation and color
- Score-keeping
- Joystick option

"Whether students need to learn spelling rules, to spell difficult words, or just to correct words they chronically misspell, this highly rated software helps them leap forward."

Alge-Blaster ™

Alge-Blaster helps pre-algebra and algebra students develop an understanding of the algebraic process and learn the basic steps in solving algebraic equations.

Program Contents: The program provides a step-by-step approach to algebra offering practice in positive/negative numbers, monomials & polynomials, factoring, equations, and systems of equations.
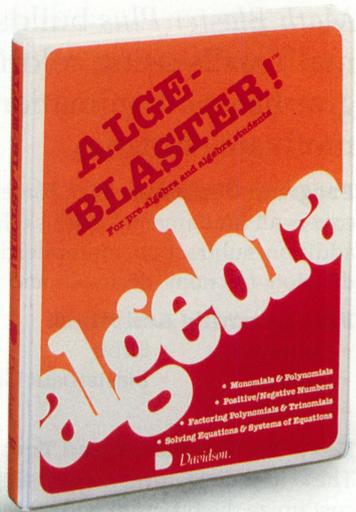

Three Learning Activities:
• Study The Steps   • Solve It
• Build Your Skill

Easy-To-Use Editor: The special editor in this package allows you to add your own list of problems to be used with the *Solve It* activity.

Instructional "Help" Feature: For students who need additional help to solve the equations, *Alge-Blaster* includes an optional "prompt" screen feature.

Additional Features:
• Color
• High-resolution graphics
• Positive reinforcement
• Score-keeping
• Review missed items option
• Optional sound effects
• Print capabilities

"Within weeks, [Alge-Blaster's] step-by-step instructions helped me to understand the basics of algebra and also made a lot of homework assignments less time-consuming."

NEW! For Early Learning

Math and Me ™

Talking IIGS Version
NOW AVAILABLE

Spark your child's interest in learning with *Math and Me*. The program introduces your child to math-readiness concepts and builds beginning math skills.

Program Contents: *Math and Me* includes twelve captivating learning games—three in each of four subject areas:
- Shapes
- Numbers
- Patterns
- Beginning addition

The material is presented sequentially, so the program grows with the child.

Early Learner Interface: The new *Davidson Early Learner Interface* provides easy access to activities and mobility within the program. Children can use either the mouse or the keyboard to select activities and answers.

Printed Graphic Certificate: When children complete an activity, they are rewarded with a graphic certificate that includes their name and a picture of the *Math and Me* monkey characters for coloring.

Additional Features:
- Positive reinforcement
- Optional sound effects
- Animation
- Double high-resolution graphics

"Teachers, parents, and students find Math and Me *effortless to run, colorful, and captivating.* Math and Me *is an excellent first math program for the 3-to-6-year-old in your life."*

Homeworker ™

Homeworker's six modules provide the productivity tools necessary for students to excel in school.

With *Homeworker*, students can plan and write papers, create flashcards for memorization tasks, keep track of important deadlines, and make "what if" predictions while computing grade point averages.

Program Contents:
- Outliner
- Word processor
- Printable flashcard maker
- Calendar
- Grade keeper
- Pop-up calculator

Deluxe Student Organizer: A program disk, easy-to-follow instructional manual, and *How To Study For Success* book are all packaged in a three-ring binder. Also included:

- Pen and highlighter
- Pencil and ruler
- Notepad
- Divider tabs
- Fact finder
- Personal information section

"Personally, I think Homeworker is the 'wave of the future.' I can see a time when nearly every student will have one. It's fantastic."
Donna Young

For Educators

Comprehensive Teacher's Resource Guide:

To help integrate our software into your curriculum, Davidson has developed a 175-page Teacher's Resource Guide.

The Guide has been divided into 8 sections—one for each of our award-winning software programs. In this easy-to-use guide, you'll find:

- Software overview sheets
- Ready-reference charts
- Assignment record-keeping sheets
- Reproducible activity sheets
- Answer keys

The pages are three-hole punched and inserted into a handy binder with pockets. A coupon for a FREE Teacher's Resource Guide is included with each lab pack purchase. (The Guide can be purchased separately for $19.95.)

Lab Packs:

Each Davidson lab pack offers award-winning software and value:

- 5 program disks
- One set of documentation
- One coupon for a FREE Teacher's Resource Guide

Five-Year Warranty on All Disks: If for any reason your disks become damaged, Davidson will replace them FREE. Simply mail us the faulty disk with a note requesting a replacement.

Disk Swap Policy: To exchange your 5 1/4" disk for a 3 1/2" or vice versa, send us your DISK ONLY with a note requesting a swap.

Back-Up Disks: To receive a back-up of any Davidson software program, send us your registration card with a check or money order for $10.

FREE 30-day Preview Policy: All Davidson educational software is available for 30-day preview in your classroom. Just send us your request on your school's letterhead or a school purchase order. If you choose to keep the software, simply pay the invoice enclosed. If not, return the software to us, with the invoice, within 30 days.

Lab Pack Suggested Retail Prices:

$129.95 (Math Blaster, Word Attack, Spell It, Alge-Blaster, Grammar Gremlins, Reading and Me, Math and Me)

$149.95 (Speed Reader II, Math Blaster Plus, Read 'N Roll, Word Attack Plus)

$179.95 (Homeworker, 10 disks)

Davidson.

Customer Service

Five-Year Warranty on All Disks:
If for any reason your disk becomes damaged, Davidson will replace it FREE. Simply mail us the damaged DISK ONLY with a note requesting a replacement.

FREE Disk Swap:
To exchange your 5 1/4" disk for a 3 1/2" or vice versa, send us your DISK ONLY with a note requesting a swap.
