If this disk should fail to work due to a manufacturing defect during the first 60 days following original purchase date, the disk will be replaced free of charge, after verification of the defect. In such event, return the disk to the dealer from whom it was purchased or directly to Millennium Group Incorporated. The attached Registration and Information Card must already have been filed or proof of purchase must accompany a return.

Should a defect result from the abuse, alteration, or misapplication of the medium or program by the user, Millennium will have no liability under this or any other warranty, either expressed or implied.
