Here are just a few: Disk loading, saving, formatting and verifying up to ten times faster than normal; multi-drive

support; copies disks in as little as 35 seconds; fast file copier; extended DOS wedge; built-in ML monitor, sector editor and mini-assembler; supports the C64 and C128 in both 40 and 80 column mode; and has built-in reset and mode select switches too!

With the zapping of ray guns and the cries of enslaved zombie women, Cinemaware captures all the action, romance, thrills and spills of the Saturday matinee serial! You become Rocket Ranger, a jet propelled hero, and battle Nazis and their insidious mind control machines... in 1940! You'll have to master seven challenging

arcade sequences and a strategic espionage game, if you're to save the beautiful Jane from a fate worse than death! You'll thrill to the digitized speech and sound effects (most versions) and incredible graphics and music.

Moe, Larry & Curly starring in their own Cinemaware Interactive Movie? Why soitanly! Nyuk. Nyuk. Nyuk. Join those zany masters of mirth as they try to save an old lady and her 3 beautiful daughters from the clutches of an evil banker. You'll love the eyepopping graphics and animation and

be amazed by the voices and sound effects, digitized from their classic films (most versions). We've even included a Stooges trivia quiz and surprises galore. You'll agree that this Computer Comedy Classic will provide hours of fun for the whole family!

It is the year 2017. Ruthless KGB fanatics have just staged a coup d'etat inside the Soviet Union. As Sloan McCormick, young general assigned to implement the S.D.I. project, only you can save the United States from thermonuclear destruction. Will you succeed in rescuing Natalya, the beautiful

Soviet commander, from a dreaded KGB torture squad? Will Sloan, single-handedly, destroy a crack Soviet rocket fighter squadron? Pick up a joystick and find out in S.D.I.!

You are Sinbad the Sailor, battling dark and mysterious forces in an epic seafaring quest. Get ready for pirates and genies, romance and heartbreak, comedy and tragedy, set in a fantastic universe that begs to be explored. Steel yourself for the ultimate challenge to your skills as swordsman, leader

and navigator. The task is formidable, but the lovely princess has begged for your aid. Can you deny her? Game features a unique blend of role playing and strategy, combined with dazzling arcade-style sequences.

Chicago in the '30s. Prohibition. Power struggles and rampant crime. Only the toughest of the tough survive. Capone used to call the shots. But Big Al was sent up the river and Chicago is up for grabs. Violence, intimidation, bribery and treachery are your weapons as you play the role of

Pinky Callahan, an ambitious hood on the make. You'll lead the Northside gang against the forces of the legendary Capone mob in a deadly battle for control of the Windy City. Recommended for mature audiences.

The age of chivalry! A time of lusty wenches and black hearted villains. The King has been murdered and England thrown into civil war! Amidst the ringing clash of steel and the thunder of charging steeds, the bold Saxon knights

have chosen you to lead them in battle against the hated Normans. Victory will not come easy. To save England, your skills as swordsman and military leader will be severely tested. But should you succeed, you'll win the Crown of England and the love of many a beautiful damsel!
