DESIGNWARE CUSTOMER SERVICE INFORMATION AND WARRANTY CARD

CUSTOMER SERVICE: If you have questions about using a DesignWare product, please call our Software Hot Line **800-572-7767**; California residents call us collect, **415-546-1866**. We'll be happy to help you.

WARRANTY: DesignWare will replace any defective or inoperable diskettes. If you need to have a diskette replaced, send us the defective diskette and we will replace it with a new diskette. We suggest that you call our Software Hot Line, **800-572-7767** first so we can help you determine if it is a hardware or a software problem.

In order to receive a replacement diskette should the need arise, we must have the Warranty Card on file at DesignWare.

BACK-UP COPIES: Back-up diskettes can be purchased directly from DesignWare if we have this card on file. We will charge \$12.00 plus shipping for a back-up diskette (limit one per DesignWare product).
