Mr. and Mrs. POTATO HEAD

Mr. and Mrs. POTATO HEAD
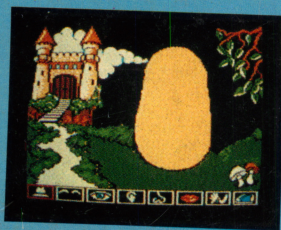

Mr. and Mrs. POTATO HEAD®

An animated computer version of the children's classic
Ages 3 to 8

Generations of children have enjoyed creating their own MR. AND MRS. POTATO HEAD characters. Now, for the first time, children can bring their creations to life!

On Side 1, players can choose to animate one of the ready-made friendly, funny potato characters or choose to mix and match body parts to create their own unique potato folk. Side 2 contains Mr. Potato Head and friends in three lively memory games designed to sharpen concentration and memory skills.

MR AND MRS. POTATO HEAD will charm a new generation of children and help them develop their creativity and imagination while they play.

- EASY-TO-USE PICTURE MENUS SUITABLE FOR NON-READERS
- THOUSANDS OF POTATO CHARACTERS TO CREATE IN FIVE DIFFERENT SETTINGS
- ANIMATION MODE INTRODUCES CHILDREN TO SIMPLE PROGRAMMING
- A DOUBLE-SIDED DISK OFFERS YOU TWICE THE FUN FOR THE PRICE OF ONE
