

A Troll Learning Center

Micro Mystery Modules are a delightful new way to help children develop important reading, learning, and thinking skills. This module focuses on Drawing Conclusions.

Children start with the easy-to-read mystery book, *Mrs. Wigglesworth's Secret*. Then they turn to the micro-software program disk for computer learning activities that build skills in an enjoyable, fun-filled way.

THIS MODULE CONTAINS:

- a 48-page "Easy-to-Read Mystery" Book
- a User's Guide
- a MICRO-SOFTWARE Disk with colorful, educational games
