If you discover a defect, Apple will, at its option, repair, replace, or refund the purchase price of this product at no charge to you, provided you return it during the warranty period, transportation charges prepaid, to the authorized Apple dealer from whom you purchased it or to any other authorized Apple dealer within the country of original retail purchase. Please attach to each product returned for warranty service your name, address, telephone number, a description of the problem, and a copy of a bill of sale bearing the appropriate Apple serial numbers as proof of date of original retail purchase.

This warranty applies only to hardware products manufactured by or for Apple, which can be identified by the "Apple" trademark, trade name, or logo affixed to them. Apple software is warranted pursuant to a separate written statement packed with the software. Apple does not warrant any products that are not Apple products.

This warranty does not apply if the product has been damaged by accident, abuse, misuse, or misapplication; has been modified without the written permission of Apple; or if any Apple serial number has been removed or defaced. Apple may use refurbished, reconditioned, rebuilt, or used components and modules in repairing defective products.
